The UNI Success Courses@ASU Program within University College at Arizona State University invites applications to create a pool of Faculty Associates on the Tempe campus for the 2018-2019 academic year. Successful candidate(s) teach a variety of courses that assist students in the exploration of personal and academic strengths and barriers that impact success; acquisition and enhancement of academic/life skills necessary for success in the university; discovery of ways to stay on course to meet academic goals; identification and utilization of university resources available to support success at ASU; and improvement of critical reading and thinking skills. Faculty Associate positions are one semester, non-benefits-eligible, fixed-term appointments with no tenure implications, not to exceed .40 FTE. The number of courses is contingent upon unit needs, funding and sufficient enrollment. Salary is based upon qualifications and assigned teaching load. A background check is required prior to employment.

Required Qualifications:
- Master’s Degree in a related field;
- Two years evidence of teaching at a post-secondary institution; or, four years evidence of experience in student support services at a post-secondary institution
- Evidence of excellent teaching/student support ability
- Excellent English written and spoken communication skills

Desired Qualifications:
- Terminal Degree in a related field
- Demonstrated success meeting the needs of diverse student populations and/or reaching out to diverse communities
- Two years of experience in student support services at Arizona State University
- Experience teaching first-year and/or at-risk college students
- Experience teaching critical thinking courses
- Evidence of effective online teaching
- Demonstrated ability to work collaboratively in a team environment

Application Procedure:
To apply, visit [https://universitycollege.asu.edu/jobs](https://universitycollege.asu.edu/jobs) and upload your application as one combined .pdf document under job number 12342. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. A letter of application addressing required and desired qualifications
2. Current curriculum vitae
3. One page statement of teaching philosophy
4. Evidence of teaching/student support effectiveness
5. Unofficial graduate transcripts
6. Information for three professional references (their position, title, e-mail, phone number)

The application deadline is **4/13/2018 at 5pm**; and if not filled, then every Friday beginning the week thereafter through the fiscal year (2019) based on the needs of the academic unit, and as needed for each semester period. A background check and official transcripts are required prior to employment. If you have position questions, please contact Amanda Voigt at Amanda.Voigt@asu.edu. For technical questions please email cisahr@asu.edu.

**Arizona State University is a VEVRAA Federal Contractor and an Equal Opportunity/Affirmative Action Employer. All qualified applicants will be considered without regard to race, color, sex, religion, national origin, disability, protected veteran status, or any other basis protected by law. (See ASU’s complete non-discrimination statement at [https://asu.edu/aad/manuals/ocd/acd401.html](https://asu.edu/aad/manuals/ocd/acd401.html); see ASU’s Title IX policy at [https://www.asu.edu/titleix/](https://www.asu.edu/titleix/))**

**General Information:** Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the third consecutive year, ([https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year](https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year)) followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry.
We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
