The Faculty of Major and Career Exploration in University College on the Tempe, Downtown, and Polytechnic campuses of Arizona State University invite applications to establish a pool for Faculty Associates for the 2019-2020 academic year. The successful candidate(s) will teach lower division courses in the Major and Career Exploration program, prepare class materials, evaluate student work, and hold office hours to assist students. Faculty Associate positions are one semester, non-benefits-eligible, fixed-term appointments with no tenure implications, not to exceed an average of .40 FTE per semester. The number of courses is contingent upon unit needs, funding and sufficient enrollment. Salary is based upon qualifications and assigned teaching load.

**Required Qualifications:**

- Master’s Degree in Psychology or related field, at time of appointment
- Evidence of excellent teaching ability
- Excellent English written and spoken communication skills
- Demonstrated success meeting the needs of diverse student populations and/or reaching out to diverse communities
- Knowledge of career development theory and practice

**Desired Qualifications:**

- Terminal Degree in Psychology or related field.
- Evidence of teaching effectiveness in related curriculum.
- Coursework and experience with career development programs.
- Experience teaching with technology.
- Knowledge of ASU campus resources, policies and procedures.
- Experience with collaborative learning.
- Experience and/or coursework in assessment

**Application Procedure:**

To apply, visit [https://cisa.asu.edu/jobs](https://cisa.asu.edu/jobs) and upload your application as one combined .pdf document under job number 12815. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. A letter of application addressing required and desired qualifications
2. Current curriculum vitae
3. One page statement of teaching philosophy
4. Evidence of teaching effectiveness
5. Unofficial graduate transcripts
6. Information for three professional references (their position, title, e-mail, phone number)

The application deadline is **4/15/2019 at 5pm**; and if not filled, then every Friday beginning the week thereafter through the academic year (2020) based on the needs of the academic unit. A background check and official transcripts are required prior to employment. Dr. Mary E. Dawes at medawes@asu.edu. For technical questions, please email: cisahr@asu.edu.

Arizona State University is a VEVRAA Federal Contractor and an Equal Opportunity/Affirmative Action Employer. All qualified applicants will be considered without regard to race, color, sex, religion, national origin, disability, protected veteran status, or any other basis protected by law. (See ASU’s complete non-discrimination statement at [https://asu.edu/aad/manuals/acd/acd401.html](https://asu.edu/aad/manuals/acd/acd401.html); see ASU’s Title IX policy at [https://www.asu.edu/titleIX/](https://www.asu.edu/titleIX/))

**General Information:** Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the fourth consecutive year, ([https://asunow.asu.edu/20180909-asu-news-ranked-most-innovative-US-school-fourth-time](https://asunow.asu.edu/20180909-asu-news-ranked-most-innovative-US-school-fourth-time)) followed by #2 Georgia State and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. CISA has over 7,300 students in all levels of degree programs and over 200 faculty members. University College is committed to providing ASU students with the resources and support to help make a successful transition from high school to college—and to develop additional life skills and a mindset for success that will serve them well throughout their academic career and beyond. Our nationally recognized student support services offer options to fit the needs of every student. We understand there are many paths to achieving a university
education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
