The Faculty of Major and Career Exploration in University College on the Tempe, Downtown, and Polytechnic campuses of Arizona State University invite applications to establish a pool for Faculty Associates for the 2018-2019 academic year. The successful candidate(s) will teach lower division courses in the Major and Career Exploration program, prepare class materials, evaluate student work, and hold office hours to assist students. Faculty Associate positions are one semester, non-benefits-eligible, fixed-term appointments with no tenure implications, not to exceed .40 FTE. The number of courses is contingent upon unit needs, funding and sufficient enrollment. Salary is based upon qualifications and assigned teaching load. A background check is required prior to employment.

**Required Qualifications:**
- Master’s Degree in Psychology or related field, at time of appointment
- Evidence of excellence in teaching
- Knowledge of career development theory and practice
- Demonstrated interest in issues of human diversity
- Excellent English written and spoken communication skills

**Desired Qualifications:**
- Terminal Degree in Psychology or related field.
- Evidence of teaching effectiveness in related curriculum
- Demonstrated success meeting the needs of diverse student populations and/or working with diverse communities
- Coursework and experience with career development programs
- Experience teaching with technology
- Knowledge of ASU campus resources, policies and procedures
- Experience with collaborative learning
- Experience and/or coursework in assessment

**Application Procedure:**
To apply, visit [https://cisa.asu.edu/jobs](https://cisa.asu.edu/jobs) and upload your application as one combined .pdf document under job number **12329**. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. A letter of application addressing required and desired qualifications
2. Current curriculum vitae
3. One page statement of teaching philosophy
4. Evidence of teaching effectiveness
5. Unofficial graduate transcripts
6. Information for three professional references (their position, title, e-mail, phone number)

The application deadline is **04/13/2018 at 5pm**; and if not filled, then every Friday beginning the week thereafter through the fiscal year (2019) based on the needs of the academic unit, and as needed for each semester period. A background check and official transcripts are required prior to employment. If you have position questions, please contact Dr. Mary E. Dawes at medawes@asu.edu. **General Information:** Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the third consecutive year, ([https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year](https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year)) followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of Integrative Sciences and Arts is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
