The faculty of Success Courses within Academic Success Programs in the University College on the Tempe Campus at Arizona State University invites applications for a Lecturer for the 2018-2019 academic year. The successful candidate will provide instruction in the areas of critical reading and thinking and student success at Arizona State University. University College success courses are designed to provide ASU students with all of the necessary tools and resources needed for success. Students will work with two colleges at ASU. First, the college that offers their major and second, University College which provides academic success courses, tutoring, adaptive learning strategies, individualized learning plans, innovative technology-delivered math skill development, and full access to all ASU campus resources. Serving more than 5000 students each academic year, the staff and faculty of Success Courses strive to make sure that every member of the Sun Devil community is successful. To learn more about University College, visit our website at https://uc.asu.edu/. Course assignments are at the undergraduate levels, and may occur in a variety of modalities (online, on-ground, hybrid), on the Tempe, Downtown, Polytechnic, and/or West campuses. The course load is determined by the director. The successful candidate will also be expected to participate in service to the department, college, institution, and profession as appropriate. This is a full-time, benefits-eligible, non-tenure eligible position renewable on an academic year basis contingent upon satisfactory performance, availability of resources, and the needs of the university. Salary is competitive commensurate with experience. Candidate must reside in Arizona, or be willing to relocate. For more information please visit https://uc.asu.edu/.

**General Information:** Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the third consecutive year, ([https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year](https://asunow.asu.edu/20170911-asu-news-asu-selected-nations-most-innovative-school-third-straight-year)) followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s University College is committed to providing ASU students with the resources and support to help make a successful transition from high school to college — and to develop additional life skills and a mindset for success that will serve them well throughout their academic career and beyond. Our nationally recognized student support services offer options to fit the needs of every student.
