

BEAT THE HEAT

On and Around ASU

At around \$2,000 a unit, inflatable misting stations are the perfect solution to the intense Arizona summer heat

Out of all the students in the survey, misting stations were voted most favorable.

AAC Survey Data

Name	Tally	Value
More Cooling Stations	XXXXX	23
More Water Stations	XXXX	18
More Misting Stations	XXXXX	26

27 students were surveyed. Cooling stations, water stations and misting stations were all voted in favor of adding more.
