Our Mission
School Safety on ASU’s West Campus

Interviewee: Jeremiah (Housing)

Sufficient School Safety Measures:
Safety blue lights, 24-hour access to ASUPD, 24-hour escorts, access to LiveSafe app

Safety Drills:
Should be a requirement for both on-campus housing and in the classroom
(Fire, Active Shooter, Earthquake, etc.)

Faculty & Staff Training/Preparedness:
ASU should implement more training programs
 Doesn’t believe they are well-prepared

All safety protocols require improvements

What is the Solution?

Promote ASU’s “LiveSafe” app
Ensure all students, faculty, and staff are aware of safety protocols

Problem:
In the event of a threat, there are not on-campus safety measures that are being communicated to students and staff efficiently
