

Devils Drive

What is Our Mission?

Our mission is to provide a safe way home for students who are intoxicated in Tempe.

We plan for our service to be able to pick up students whether they are on campus or not and drop them off wherever they live in Tempe.

Our goal is to have a tab added on the ASU app where you can request a ride in a short amount of time.

We would also push for ASU students and even faculty to be the drivers because students would feel safer if a peer from ASU is driving.
