The Department of Major and Career Exploration faculty in University College at the Downtown Phoenix campus of Arizona State University invite applications for Faculty Associate(s) to begin in Fall 2016. Teach lower division courses in the University College, Major and Career Exploration.

This recruitment is to establish a pool of applicants available for teaching the 2016-2017 academic year. Faculty Associate positions are one semester, non-benefits-eligible, fixed-term appointments with no tenure implications, not to exceed .40 FTE. The number of courses is contingent upon unit needs, funding and sufficient enrollment. Salary is based upon qualifications and assigned teaching load. A background check is required prior to employment.

**Required Qualifications:**
- Master’s Degree in Psychology or related field
- Classroom teaching experience
- Knowledge of career development theory and practice
- Demonstrated interest in issues of human diversity
- Excellent English written and verbal communication skills

**Desired Qualifications:**
- Coursework and experience with career development programs
- Experience teaching with technology
- Knowledge of ASU campus resources, policies and procedures
- Experience with collaborative learning

**Application Procedure:**
To apply, visit [https://universitycollege.asu.edu/jobs](https://universitycollege.asu.edu/jobs) and upload your application as one combined .pdf document under job number 11615. Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. A letter of application addressing required and desired qualifications
2. Current curriculum vitae
3. One page statement of teaching philosophy
4. Copies of two sets teaching evaluations
5. Unofficial graduate transcripts
6. SPEAK test or TSE score of 55 or higher (if applicable)
7. Information for three professional references (their position, title, e-mail, phone number)

The application deadline is **06/17/2016 at 5pm**; and if not filled, then every Friday beginning the week thereafter through the fiscal year (2016-2017) based on the needs of the academic unit, and as needed for each semester period. If you have questions, email: SLSjobs@asu.edu.

**General Information:** Arizona State University is a comprehensive public research university recently named #1 in the United States for innovation, followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s College of Letters and Sciences is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
