Let's stop unnecessary fire alarms and protect our students

Problem:
In ASU campus dorms, consistent false alarms have dealt a great amount of stress and raised safety concerns for students.

Solution:
Our proposed plan is a multi-level implementation of accountability and prevention solutions that include upgraded technology and an information campaign.

EXTINGUISHING FALSE FIRE ALARMS

Have Fire Alarms caused you to be less cautious?
- Yes: 8, 14%
- No: 51, 86%

Has there ever been an actual fire when the alarm was pulled?
- Yes: 14%
- No: 86%

Have you ever stayed in your room instead of going outside due to a false fire alarm?
- Yes: 32, 54%
- No: 27, 46%
