ASU Dorm Conditions Need Work!

Students are upset and disgusted, they feel their complaints are unheard!

Survey results:
- 54% reported bad conditions without requesting help
- 39% reported bad conditions and requested help.

“I was sick all last semester and have been sick twice already this semester and I rarely ever got sick before.” - Quote from Hassayampa Resident

ASU Housing should find ways to better the quality of life by:

✔ Semesterly replacement of utilities
✔ Frequent condition checks
✔ New HVAC system

Out of 50 students surveyed, 66% answered that they get frequently sick living at the ASU dorms.
